

VENDMARKET, STAND E34, PRESS RELEASE

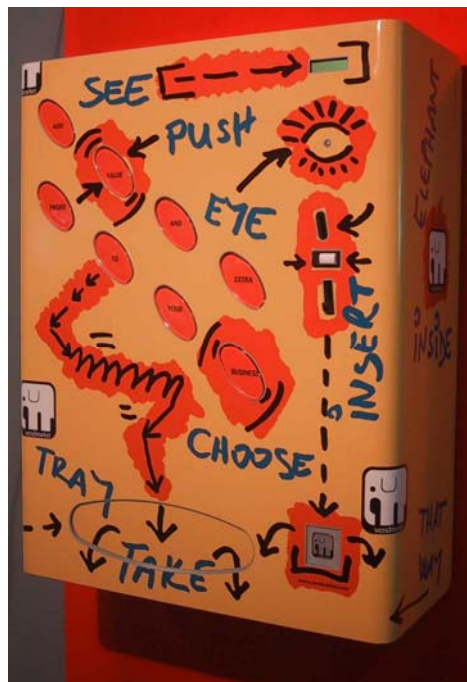

FIND OUT WHAT THE NEW "TALK OF THE SHOW" WILL BE AT VENDMARKET AND WE PROMISE YOU'LL BE SURPRISED!

Live orange colours of Vendmarket stand will be hard to miss as will also be the attractive vending machines that have overgrown the fact of being a 24h shop and now serve moreover as a highly recognisable [marketing tool](#).

A range of [Vendmarket unique flexible, mid-sized wall mounted vending machines](#) can be used for sale of numerous products and with help of adjustable spiral or vertical modules, their purpose can be changed very quickly to offer unlimited possibilities of combinations. They are suitable for any location, hold the capacity needed for successful product vending and are very easy to operate and to serve. These characteristics make the Vendmarket vending machine a highly desired product in this world of vending industry.

Two novelties that we have presented to vending world for the first time at D.A.Vending Expo in Paris last October have already fallen on fertile ground. Vendmarket Front Drop model and the Pushbutton model of our range of vending machines have found way into new niche markets of which some are also spread in the UK.

This year we have also developed a custom-made "dental care shop" for a Swiss international company, Curaden Int. AG. A highly developed interior configuration and software of our wall-mounted vending machine will offer Curaden clients the exclusive possibility to buy products for dental hygiene at the dentist's waiting room and without waiting in line. The clean lines and outfit design of the vending machine will moreover give the final touch to this custom-made product now already on the market.

To find out more about our company and our products you are welcomed to visit our stand E34 at Avex 2007 where a highly professional staff will give you more information or you can visit our web site www.vendmarket.com where our [NEW CATALOGUE](#) is also available.

Maximize your opportunity and visit our **stand E34** to experience the stunning new **TALK at the show!**
